

WORLD OF RADIO #1130, produced May 7, 2002 by Glenn Hauser

- *New winter schedule for R. New Zealand International; possible alternate for Forces portion
- *Kalimantan interior allegedly underserved by broadcasting; call for more RRI transmitters; shortwave?
- *V. of Vietnam 13 MHz frequency has spurs every 10 kHz
- *R. Sri Lanka's 'Early Bird' program has enjoyable moldy-oldy music including 'Kiss Me, Honey', also used by jammer against clandestine Peyk-e Iran
- *All India Radio harmonic heard on 10m band
- *Update from Afghanistan by Martin Hadlow, UNESCO, for NZ DX Times: British, Italian, and US forces services, and bringing back RTA; satellite internet. See <http://www.unesco.org/webworld/> and <http://www.unesco.org/afghanistan>
- *Iraqi National Congress' Liberty TV ceased satellite broadcasting; hangup over accountability in continuing US State Department funding
- *Israel steps up foreign language webcasting; 1900 UT English now ondemand at <http://bet.iba.org.il>
- *Reorganization of Kol Israel effective at Junend: under Reshet Aleph, maintaining two French SW broadcasts; two English, too?
- *Madagascar: MBS Radio is pro-Marc station; RTM on separate SW frequencies
- *See DXLD 2-074 for 11.5 page BBCM report, Madagascar Media Environment Assessment
- *Zimbabwe clandestines V. of the People, SW Radio Africa, reported from Australia, Europe
- *Frequency abandoned by WCCR has Europirates, and now R. Lubumbashi, Congo DR
- *Standard disclaimer
- *Via USB, AM, FM, subcarrier, satellite, shortwave, mediumwave, internet, this is World of Radio 1130; <http://www.worldofradio.com> address P O Box 1684, Enid, OK 73702, USA or wghauser@hotmail.com
- *R. Jakada, more info about new service to Africa; recording from <http://www.intervalsignals.net> a.k.a. Jakada Radio International
- *Log reports of Jakada; Nigerian paper claims it operates from Spain: maybe studio location, not transmitter, which seems same as V. of Biafra International, i.e. Armavir, Russia, same frequency on weekends; Headed by ex-ambassador Yusuf Mamman with four other investors, and Jakada means ambassador in Hausa; also a Folgers coffee brand name
- *Mega Radio, new 500 kW German on MW interferes with co-channel Italy; also bothering our affiliate R. Studio X, Italy on adjacents?
- *Aspidistra 60th anniversary exhibition during May and June in Crowborough, Sussex; hours from RSGB, directions in DXLD 2-072
- *Tips on hearing LRA-36, Antarctica
- *R. Mundial, Sao Paulo, Brasil has AM program on on SW frequency, FM program on another

- *R. Comercial, Huancabamba, Peru ex Estacion 2
- *Latin near Guyana's frequency is the irregular R. Centro, Ecuador
- *R. Nueva Juventud, Pasto, Colombia, hobby station plans regular Saturday evening broadcasts out of 5 MHz band, wants reports; see DXLD 2-076 for address
- *Director of R. Nacional de Venezuela Roberto Ruiz, and host of Alo Presidente fired for alleged complicity in coup against Chavez; not audible all over Venezuela, so try RHC relay on SW which also has 17 MHz frequency to USA
- *R. Habana's Caribbean English broadcasts reconfirmed tho missing from schedule
- *RHC's essay contest this year apolitical for a change: what do you know about the Habana Club rum museum?
- *R. Amanecer, Dominican Republic, back on normal frequency, so is the off-frequency signal something else now?
- *Frecuencia Libre, New community FM station in Chiapas, harrassed as unlicensed; ``no queremos medios de comunicacion, los queremos enteros`` play on words slogan
- *CFRX, Toronto, reactivated on 6 MHz
- *NOEL, North American pirate playing Xmas music in May
- *Digital Millennium Copyright Act due to go in effect May 21, threatening web streaming; see <http://www.ruf.rice.edu/~willr/cb/sos/>
- *Rumors flying that KV00 Tulsa will change from classic country to all-talk after some 50 years
- *Plans for a fulltime noncomercial classical music station in Indy
- *World Radio TV Handbook publishing a midyear 'Shortwave Guide' in June, format resembling Passport
- *Glenn Hauser, concluding World of Radio 1130
